

APPROVAL AND MONITORING

2D.1 LANGUAGE OF TUITION AND ASSESSMENT

- I. All programmes leading to a University of Buckingham award must be taught and assessed in English (unless otherwise agreed at the time of validation or re-validation).
- II. For undergraduate programmes, where it is agreed that teaching and assessment is in a language other than English, this shall only be at Level 4. Suitably qualified external examiners must be appointed to ensure parity of standards and quality with the equivalent modules in English.
